

DESERT DISCOVERY

From fabulous fine dining and a soothing spa to fun-packed kids clubs and family friendly shows, Caesars Bluewaters Dubai promises the perfect luxurious getaway for everyone

With its pristine beaches, first-class cuisine and world-famous standards of luxury, it's no secret that Dubai is the ultimate playground for today's affluent traveller. At the heart of its five-star hospitality scene are two luxury hotels from the iconic Caesars group: Caesars Palace Bluewaters Dubai and Caesars Resort Bluewaters Dubai.

Located on Bluewaters — a modern, family-orientated island destination in the heart of the Arabian Sea, with spectacular views of the azure waters and Dubai skyline — both hotels feature contemporary yet playful decor from renowned designer Jonathan Adler, complete with grand touches inspired by ancient Rome. Combining ocean-front tranquillity with 21st century buzz, each hotel offers its own unique attractions for guests, along with standout gastronomic offerings, panoramic vistas and sumptuous amenities.

THE ULTIMATE LUXURY EXPERIENCE

Caesars Palace Bluewaters Dubai is the perfect getaway for couples, adult groups or solo

travellers in search of true indulgence. Start the day with a spot of pampering at the Qua Spa, where cutting-edge treatments include thermal therapy on a quartz sand bed and infrared detoxing in the UAE's first Iyashi Dome. Next, head to the chic beach club, Cove Beach, which attracts a hip crowd for its cocktails, live music and upscale party atmosphere.

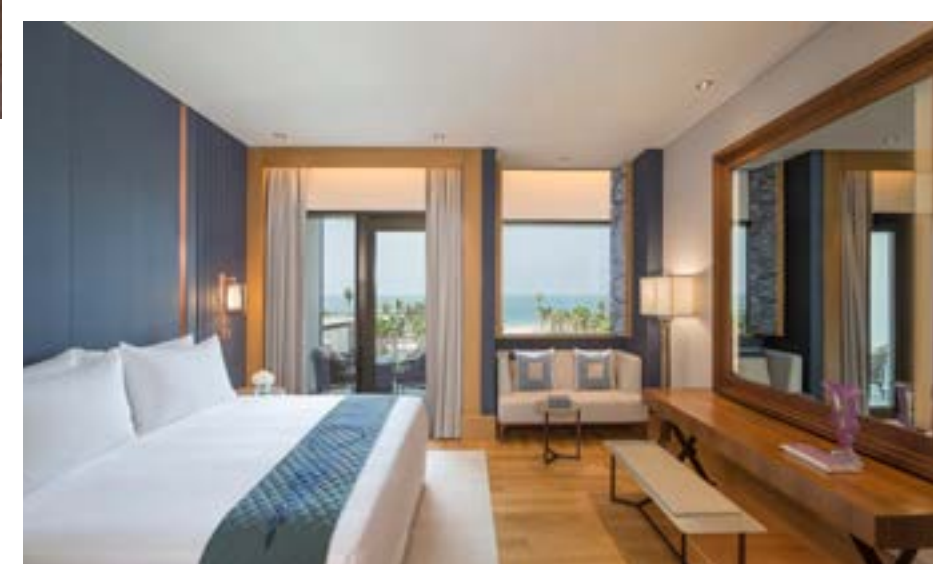

Although you'll be spoiled for choice when it comes to choosing from one of the six restaurants, Hell's Kitchen — from Michelin-starred chef Gordon Ramsay, inspired by his popular TV show — always makes for a special event. This is especially true during Dubai's famed Friday brunch slot, where the Red and Blue kitchens serve up signature dishes such as Beef Wellington and the heavenly Sticky Toffee Pudding, alongside live entertainment and the opportunity to partake in a fun culinary challenge.

Round off the evening by partying in style at the Havana Social Club, where the spirit of 1920s Cuba comes alive with Latin beats from live bands and weekly fiestas — enjoy a rum cocktail and aromatic cigar before hitting the dance floor.
